Dear IIMC Members,

It is my sincere honor and pleasure to endorse City of Greenville, SC, City Clerk Camilla Pitman, MMC, PLS, as the 2024 IIMC Vice President. As a Past President of the Florida Association of City Clerks (FACC), I have had the good fortune of working side-by-side with Camilla and getting to know her when she served as IIMC Region III Director.

Immediately upon my interactions with Camilla, I not only found her to be professional, intelligent, and an excellent presenter and educator, but also very caring, dependable, and an amazing listener. While serving as IIMC Region III Director, Camilla exhibited professionalism in leading Region III and pursuing her goal of promoting and growing the Region within the Association. Experiencing her capabilities while serving Region III, and recognizing her broad experiences throughout her career, I have no doubt she will succeed in leading the continued development of IIMC beginning with her journey as Vice-President and continuing forward to fulfilling the Presidency responsibilities.

Camilla is a leader, a mentor, she's confident and kind, she is responsive, and is an inspiration to all those that she has had the opportunity to meet. In addition, she has facilitated classes and several Athenian Dialogues for the FACC as well as for other IIMC associations, of which I have been fortunate enough to have attended, many of which have been my favorites.

I encourage each of you to join me in supporting and allowing Camilla Pitman to follow through with the goals she plans to achieve. I truly believe her extensive background and shown commitment and experiences in serving the IIMC exhibits that she will be an excellent IIMC Vice President.

Sincerely,

Stacey Johnston, MMC, CBTO, City Clerk
FACC Past President, 2021-2022
