To Whom It May Concern,

I am pleased to endorse Camilla G. Pitman, MMC for 2024 IIMC Vice President. Camilla has served in numerous leadership roles with MFOCTA, and has the experience to excel as IIMC Vice President. She consistently shows her commitment to MFOCTA and to the Municipal Clerk profession. I believe she is well qualified to step into her next role as IIMC Vice President.

I have had the pleasure of having Camilla as my mentor since 2017 and have been consistently impressed with the amount of attention and time she dedicated to make sure I had the tools and the resources I needed to be an asset to the profession.

I could list all of her accomplishments and awards, but that does not begin to tell you who Camilla is as a person. Camilla exemplifies honesty, fairness, and thoughtfulness, and will use those qualities to create a balance between education and leadership. She has proven her leadership abilities and remains a servant at heart. Her passion for the profession continually inspires others, and has inspired me since 2017.

I have no doubt that she would excel as IIMC Vice President. I am confident she will make valuable contributions to IIMC and her fellow clerks. I highly recommend her without reservation.

Sincerely,

Tracy J. Rabon, MMC
