March 1, 2024

Hello IIMC Family,

I am Camilla Pitman, City Clerk for the City of Greenville, South Carolina, and I am a candidate for 2024 IIMC Vice President. For the past few years, I have heard from some of our members who say, "Camilla, I don't know who to vote for because I don't know anything about the candidates who are running." In thinking about that statement, I have taken those words to heart. During this campaign period, I have shared information with you about me and about how much this organization means to me. You can see it on my website [www.CamillaforIIMCVP.com](http://www.CamillaforIIMCVP.com), my Facebook site [CamillaforIIMCVP](https://www.facebook.com/CamillaforIIMCVP), and Linked-In [Camilla G. Pitman](https://www.linkedin.com/in/CamillaG.Pitman).

I hope you have experienced through the videos and photographs I have shared with you my passion and desire for serving my municipality, my profession, and my fellow clerks as we all search to find the leader in ourselves. Just like some of the books I have facilitated, I hope you have observed the opportunities that have crossed my path along my journey and the deposits I have made that allowed me to grow as a municipal clerk and a leader. Participation in my state institute and association, engagement on IIMC Committees, service as a Region III Director on the IIMC Board of Directors, and participating as a volunteer, presenter, and facilitator at training sessions and conferences – all of these experiences have led me to such a time as this.

In my postings, my videos, and my emails to the membership, I have set out my goals and purpose for seeking the office of IIMC Vice President which include continued growth and participation in (1) education and certification, (2) international relations, and (3) leadership development.

I have been humbled by the words of fellow IIMC members who have expressed their support for me as IIMC Vice President through letters of endorsement that can be found on my website, Facebook, and Linked-In. From the bottom of my heart . . . *thank you.*

Growing up my parents always told me that whatever you do in life, give it 200% percent, and I have done that. If you've seen me at conferences and events, you know that I try to speak to everybody; it's just part of my nature. I know what it is like to be new in a position and have to find your way. I want all municipal clerks to feel welcomed and to know they are special and important. I feel so blessed by the opportunities that have been given to me. Simply put, The International Institute of Municipal Clerks has taken this farm girl from the small rural town of Mt. Croghan, South Carolina, to serving not only the city of Greenville but serving our entire IIMC family.

When someone asks me, what do you plan to do as Vice President, I tell them, the same thing I have been doing since I became a City Clerk. I am going to continue to make a difference in the lives of others. And that is why I am taking the next step to make a difference as your Vice President. I am committed to professional excellence in education, leadership and development.

Now, please remember that campaigning will end on March 1<sup>st</sup>. On March 11<sup>th</sup>, you will receive a ballot to vote for your next IIMC Vice President. If you do not receive a ballot on that day, please check your junk mail and spam mail, and then contact IIMC staff to let them know.
