I am writing this endorsement to recommend Camilla Pitman, MMC, City Clerk for the City of Greenville, SC and the Vice President candidate for the International Institute of Municipal Clerks. Camilla has consistently proven herself to be a dedicated and loyal public servant for many years. Having known Camilla for ten years or more, I can indeed say that she is a person who leads by example. In both personal and professional realms, Camilla is a leader. She communicates well with members in her community and fellow IIMC members and always stays friendly and cheerful. This adaptability makes her the right candidate for IIMC Vice President. There is no task or project that she cannot complete. In other words, Camilla is a go-getter.

Please take the time to read about Camilla's experience, background and involvement in IIMC. You will find she is very qualified and is committed to serving as your next IIMC Vice President. I hope you will join me in supporting Camilla for IIMC Vice President.
