RE: Letter of Support of City Clerk Camilla Pitman, MMC –  
to serve as the 2024 IIMC Vice President

Dear IIMC Members,

I am proud to voice my support of Camilla Pitman, MMC in serving as the 2024 IIMC Vice President.

I had the great honor of meeting Camilla virtually during the pandemic while participating in an Athenian Dialogue she was facilitating. Upon talking with her, I knew instantly that she was committed to the growth and development of every member of IIMC.

Throughout the years, I have been able to talk with Camilla in person at conferences. Her commitment to IIMC Members is verified by the countless hours she has dedicated to each of us, IIMC and her municipality. While serving in the Clerk Profession for her municipality, she has also served on the Conference, Elections, and Mentoring Committees. Due to her dedication to these committees, she was selected to serve on the Education & Professional Development, Public Relations & Marketing and the Policy Review Committee as the chair.

Camilla is always the first person to offer help to any person she encounters and words of encouragement. She exudes professionalism while also showing empathy and is an active listener. She has the heart of a true public servant. Camilla always strives to go above and beyond in every aspect of her life.

I feel honored to work in this profession and always look toward Camilla as an example of what it truly looks like to live and serve by the IIMC Code of Ethics. Camilla Pitman has my full support as a candidate for the 2024 IIMC Vice President Election. She will make an excellent Vice President for our association.

With warm regards,

A handwritten signature in blue ink that reads "Kara Paxton".

Kara Paxton, CAMC, MMC  
City Clerk Treasurer
