

Let me offer my encouragement and support for IIMC former Region III Director, Camilla Pitman for consideration of 2024 IIMC Vice President. Together, over many years, we have worked jointly on several tasks, and she was an instrumental mentor to me as I attained my Athenian Leadership Society Fellow. As many of you have experienced when attending a dialogue under her guidance, Camilla encourages and motivates participants to pursue leadership opportunities and to grow the qualities they possess. I am sure she will be instrumental in the role she seeks with IIMC and will lead with compassion and a goal for everyone to succeed.

Once voting is allowed, I encourage you to vote for Camilla Pitman as 2024 IIMC Vice President.
