Leadership Development*

Hello IIMC Member,

My name is Camilla Pitman, and I am the City Clerk of the City of Greenville, South Carolina. I am excited to be a candidate for the 2024 International Institute of Municipal Clerks Vice President.

It seems like yesterday, but it was 2007 when I was appointed to serve in the role of City Clerk of the City of Greenville, I could have never imagined that my journey in IIMC would lead me to this wonderful opportunity. I joined the City of Greenville in 1995, serving in the City Attorney's Office and in Municipal Court before being named as City Clerk. I obtained my CMC in 2011, my MMC in 2013, and was named as an Athenian Leadership Society Fellow and Facilitator in 2017. Since 2012, I have participated as a member on IIMC Committees, serving as Chair on three of those Committees. I was appointed to the IIMC Board of Directors representing Region III from 2019-2022. Serving on the IIMC Board of Directors fueled a passion and desire in me to continue making a difference for all of us in IIMC and to take the next step of leadership in pursuing the position of IIMC Vice President.

I have lots of reasons for running, but let me share just a few that I believe are important for you to know as your candidate for 2024 IIMC Vice President.

- ♦ ***Education and Certification.*** I am a firm advocate for continuing education and certification. Our world and profession are everchanging. It is important for IIMC to continue to offer education in a medium that will reach and benefit all IIMC members. I will work to allow more IIMC members the opportunity to achieve their Certified Municipal Clerk and Master Municipal Clerk designations. Since 2011, I have had the opportunity to contribute to IIMC educational programs serving as a presenter at IIMC Annual Conferences, IIMC Region Conferences, IIMC state associations and affiliates, and in September 2023 at the Vereniging van Griffiers Symposium in Amsterdam.
- ♦ ***International Relations.*** I am committed to encouraging more engagement with IIMC members in the 15 international affiliates in Regions X and XI. I am also committed to continuing the work of our current and former Executive Committees and Board of Directors in the restructuring of current guidelines for certification to afford our international members the same opportunities as their United States counterparts in achieving their Certified Municipal Clerk and Master Municipal Clerk designations.
- ♦ ***Leadership Development. Networking . . . Engaging . . . Mentoring . . . Serving.*** Those words are my personal mantra and here is why - I will always support leadership development and encourage growth for our members through programs established by IIMC. Since 2017, I have enjoyed serving as an Athenian Leadership Society Facilitator and as a mentor for IIMC members interested in becoming Facilitators. Last year I was honored to mentor the first IIMC Region XI Facilitator. Each of these steps have assisted in my growth as a leader, and my desire is to continue to give back to IIMC through encouraging members as servant leaders throughout the world.
