Re: Endorsement of Camilla G. Pitman, MMC for IIMC 2024 Vice President

Dear IIMC Colleagues,

It is my honor to personally endorse Camilla G. Pitman as a candidate for 2024 Vice President for the International Institute of Municipal Clerks. I have had the honor of developing a collegial relationship with her over the last few years. We have shared insights into the profession of the City Clerk, the importance of ongoing and continuing education, the value – and strategies for – taking your place at the leadership table along with a deep commitment to advocacy for the Clerk profession.

As a fellow trainer, I also want to commend her commitment to offering trainings, workshops, and Dialogues – not just in her region, but all over IIMC territory including presenting at an international conference in Amsterdam. She is a known go-to expert in so many things clerkdom. Camilla presents with passion, knowledge, and grace. Her care and devotion to this profession are evident to anyone who knows her and her desire to help, mentor, and coach any Clerk or up-and-coming Clerk will always find an able assist from her.

She is a thought-leader and has a well laid out platform. And after many years of involvement in IIMC, she has the institutional knowledge, robust network, and committee service to be ready to be a leader of this organization.

Most of all I want to recognize one of the many leadership attributes that she possesses – I feel she always demonstrates that she walks in the light of integrity also guided by her strong sense of ethics. As someone who proudly subscribes to the IIMC Code of Ethics which state “to impart to my profession those standards of quality and integrity that the conduct of the affairs of my office shall be above reproach and to merit public confidence in our community.” I can think of no finer example of this critical leadership characteristic than Camilla G. Pitman.

Please join me in support Camilla G. Pitman for 2024 IIMC Vice President.

Sincerely,

Patrice M. Olds, MMC
City Clerk
