It is with great pleasure that I submit this letter of recommendation in support of Camilla Pitman, City Clerk for the City of Greenville, SC for IIMC Vice-President.

I first met Camilla when I served in a leadership position for the North Carolina Association of County Clerks. I was impressed with her enthusiasm, communication skills, and professionalism.

Since I met her, I have been impressed with her ability to multitask effectively and handle a high-volume workload as a City Clerk while dedicating herself to the IIMC. Of particular value to the IIMC, is Camilla's team player mindset, enthusiasm, and her unwavering commitment to excellence. She is organized, diligent, hardworking, and service-oriented.

Camilla is a true people person. She loves spending time with clerks. She embodies a kinship to those in our profession. I am impressed that she always remembers everyone's names!

Camilla is dependable, dedicated and eternally upbeat. She has been a mentor to me and many other clerks in North Carolina and I believe she is the reason that North Carolina County Clerks are now more involved in the IIMC and that we have our first County Clerk serve as a Region III Director.

Camilla has been heavily involved in the IIMC for many years, so she knows what the position of Vice-President entails and she has the necessary experience to do it well. Camilla has my highest recommendation as Vice-President of the IIMC for 2024.

With highest regard,

Trisha M. Hogan
Clerk to the Board of Commissioners
Transylvania County, North Carolina
Former President of the North Carolina Association of County Clerks
