To Whom It May Concern:

It is my pleasure to write this letter of recommendation regarding Camilla Pitman in her candidacy for the 2024 International Institute of Municipal Clerks Vice President. I have no doubt that Ms. Pitman will excel in the role of IIMC Vice President.

I first met Ms. Pitman through her role as an IIMC Athenian Dialogue Facilitator. Her enthusiasm and knowledge of every book that she has facilitated was amazing. She went above and beyond to be well versed in the subject matter, which in turn made all of us in the class much more immersed in the books that we were discussing.

Ms. Pitman has also been an inspiration to me, especially when I served on the Executive Board of the Georgia Municipal Clerks Association. When I became President of the Georgia Municipal Clerks Association in 2022 she made sure to encourage me every step of the way, and I always knew that even though we were Clerks in two different states I could always reach out to her for advice.

Camilla Pitman has a true servant's heart. There is no doubt she loves her role as a Municipal Clerk, and she loves her roles within IIMC. She is an exceptional leader and an exceptional mentor. Her guidance and enthusiasm have encouraged so many of us fellow clerks, whether it be within an Athenian Dialogue class, as our roles as Clerks, or in our journey within our own State Associations as well as within IIMC. She is always a friendly, welcoming face wherever you encounter her.

I highly recommend Camilla Pitman as IIMC Vice President. I believe that her love for IIMC along with her drive and dedication to the municipal clerk role will make her be very successful as IIMC Vice President. She genuinely cares about the Association and the people within it. I have no doubt that Camilla Pitman will be a huge asset as 2024 IIMC Vice President.

Please do not hesitate to contact me should you have any questions regarding my recommendation.

Best Regards,

  
Vicki Wainwright, City Administrator/City Clerk
