

January 29, 2024

IIMC Members,

I would like to tell you about my friend and fellow City Clerk, Camilla Pitman. I have never met anyone that loves her profession more than Camilla. Camilla lives and breathes it. It gives her joy and purpose to do her job and do it well.

Not only does she care about her position as City Clerk of Greenville, South Carolina; she cares about other City Clerks throughout the United States and abroad. She mentors others with her expert knowledge of the field. She is not ashamed to share her faith in Jesus Christ with others and has been a vital part Clerks for Christ.

During her time as SC MFOCTA President, Camilla visited every city in South Carolina to learn more our state and the municipalities. She has also traveled to many states teaching Athenian Dialogues and general sessions. Camilla is invested in the International Institute of Municipal Clerks. Camilla has accomplished these milestones while caring for her disabled husband, Jeff.

Camilla simply gets the job done – whatever it takes. I could list all her awards and accomplishments, but simply put you could not find a more qualified committed person to be the International Institute of Municipal Clerks Vice President. Please join me in supporting Camilla Pitman for Vice President.

Donna Young
Retired City Clerk, North Augusta, South Carolina
2012-2013 SC MFOCTA President
