FUTURE FOCUSED

County★NC

February 8, 2024

Dear Fellow IIMC Members,

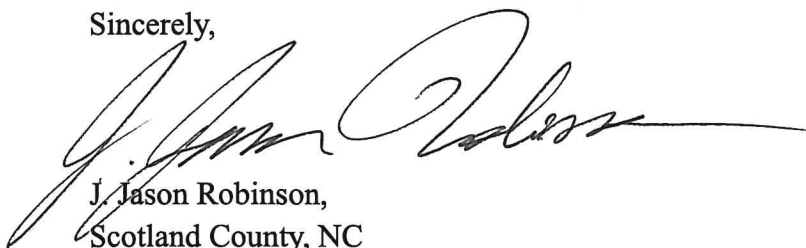

I am beyond honored to submit this letter of endorsement in support of Camilla Pitman, a candidate for 2024 IIMC Vice President. I first met Camilla when I was president of the North Carolina Association of County Clerks in 2019-20. She was the regional director for IIMC Region III at the time and was such a warm and welcoming presence. She made sure that I understood what was expected of me as president for IIMC Region III.

I got to know her even better at the 2020 Region III conference that year in Orlando, Florida. It was clear that Camilla was committed to the IIMC values and made a lasting impression on me. She also participated in the North Carolina Association of County Clerks conference in 2022 as well leading a session for us.

Camilla is committed to developing leadership skills in IIMC members through education and she shows this through her participation as an Athenian Dialogue facilitator. She has agreed to lead an Athenian Dialogue for the North Carolina Association of County Clerks at our 2024 annual conference in April. This is the first Athenian Dialogue that our association has ever hosted and we are so excited that it is going to be lead by Camilla.

I encourage all of my fellow clerks to look at all of the candidates for IIMC Vice President. I feel confident that you couldn't find anyone more dedicated and passionate than Camilla Pitman. Please consider voting for Camilla for Vice President in 2024.

Sincerely,

J. Jason Robinson,
Scotland County, NC

Clerk to the Board of Commissioners

2019-2020 North Carolina Association of County Clerks President
