To Whom it May Concern:

I am writing in support of City Clerk Camilla Pitman as a candidate for the IIMC Vice President.

I have known Camilla for 10 years. She has demonstrated that she is a great leader. I have taken many of her Athenian Dialogue classes where she leads us in discussion dissecting the book my me and my fellow clerks have read. Camilla is someone I look up to and respect. She has been a great mentor to me both professionally and personally.

I have had a lot of interaction with Camilla in the last 10 years and have had many opportunities to observe her in both professional and personal settings. I firmly believe that Camilla would be an excellent candidate for the IIMC Vice President. She has demonstrated a genuine passion for clerks, a persistent work ethic and a keen intellect.

Sincerely,

Cheryl Mooney
City Clerk
